

Coordinate.h

```
graph TD; A[Coordinate.h] --> B[string]; A --> C[iostream];
```

A diagram illustrating the dependencies of the `Coordinate.h` header file. At the top, a gray rectangular box contains the text `Coordinate.h`. Two dark blue arrows originate from the bottom edge of this box. The left arrow points diagonally down and to the left to a white rectangular box containing the text `string`. The right arrow points diagonally down and to the right to another white rectangular box containing the text `iostream`. All boxes have a thin black border.
